## PROMINENT CITIZEN TESTIFIES FOR VITONA

The following expression, from a prominent Scurry County man, fully explains itself:  
Hermleigh, Tex., Oct. 18, 1915.  
Ed. M. M. Melton:  
Dear Sir:  
I write this to let you know that I have been greatly benefitted by the use of VITONA and can recommend it as being all that you claim for it. I am 86 years old and feel better than I have felt for several years.  
Respectfully,  
N. M. LESLIE

Vitona can be had at the Signal office or address P. O. Box P, Snyder, Texas.

## PARIS CONFLAGRATION

There are today only piles of ruins and heaps of ashes where once stood the beautiful little city of Paris, Texas. With many buildings of modern construction, handsome dwellings, paved streets and what was considered adequate fire protection, this place appeared attractive as a fire risk.

This company has suffered a heavy loss, but we consider it merely a passing event. Our adjuster was on the ground before the fire was out, and all losses will be paid, cash without discount, from the office—in fact, several have already been paid.

By this terrible catastrophe you should be reminded that any town or city, matters not how well constructed or protected, is subject to conflagration. Agents should know the companies whose financial strength will enable them to pay such claims, and do it promptly, for it is in such times of distress the assured most needs the money.

We hope to vastly increase our premium income in Texas this year, and assure you the Paris conflagration has not affected our nerves, or given us "cold feet."

Expressing my kind regards,

Yours very truly,

T. A. MANNING, Gen. Agent.

## GUY E. CASEY FOR DISTRICT CLERK

The official is authorized this week to state that Mr. Guy E. Casey, of Ira is a candidate for the office of District Clerk of Scurry County, subject to the votes of the democrats of this county in the July primaries. Mr. Casey is a young man of pleasing personality and unimpeachable character. He has lived in Scurry county for the greater part of his life and is in every way fully identified with the interests of the County. For several years he has engaged in school teaching and is recognized as an educator of ability. He is now a strong member of the school faculty at Ira, and as in other communities heretofore, he is doing energetic, conscientious work and giving his patrons satisfaction.

He is a man of good practical education, gained by years of work and study and is well qualified to discharge the duties of the office to which he aspires. He is sound and true as a democrat and submits his candidacy to the voters to pass upon. He is offering for office on his personal merits and asks an honest, earnest investigation of his character and qualifications.

If elected he will give the office his best efforts and will at all times be found ready to extend to the people every courtesy within his power. Consider his claims when you go to vote.

## Special Announcement.

This is to advise the people of Snyder and surrounding country, that while I carry a full and complete line of staple and fancy groceries, I am the only grocery store that gives Free Mileage coupons on all cash purchases. This is a new plan of profit sharing nature, which has proven a great success all over the United States, and it will be to your interest to call and get the details of the proposition.

Thanking you for liberal patronage in the past and soliciting a continuance of same, I am yours truly,  
J. W. TEMPLETON.

## COUNTY SEAT ELECTION PLANNING FOR KENT

The people over in the east part of Kent county are about to pull off an election to move the county seat of Kent from Claiborne to Jayton. Jayton and Girard are both good towns and both are in the east part of the county and on the railroad. The county over there is pretty thickly settled and unless Claiborne and Polar bestir themselves they are in danger of suffering the fate of Buffalo Gap, when the railroad drew the county seat of Taylor County from there to Abilene. Jayton and Girard had a mass meeting at Girard last week and started the ball rolling good and strong and the people there are pulling together to move the county seat.

## The Scholastic Census

Miss Maud Pryor was selected by the Board of Trustees of the Snyder Schools to take the census. She has been all over the territory of the district and has enrolled 755 pupils as far. There may be a few who have been missed. If so, the parents will do the schools a favor and their children justice, if they will see to it that they are enrolled. This is a very important matter as the schools get the state appropriation on all pupils enrolled. We kindly ask all persons to make inquiry as to this matter at once and report to Miss Pryor before the first day of April since the census must be completed by this month.

If it is more convenient parents may give me the enrollment as I have some blanks for that purpose.

Respectfully,  
E. A. WATSON,  
Superintendent.

Rev. W. E. Caperton and family complain (?) that they were the victims of a merciless pounding on Saturday evening. Mesdames Maurey and Hall with Walter Davis drove up to the home in Walters' delivery car and without a moment's warning began to unload groceries, flour, meat, lard, bacon, sugar, and all manner of canned goods, etc. too numerous to mention. The Woman's Missionary Society, we understand was behind the move.—Sweetwater Journal.

## Typewriter Announcement.

Just received the latest Model No. 9, Oliver Typewriter, for which we are sole agents in Snyder. This typewriter will be of great assistance to business farmers as well as mercantile men. Ask for a demonstration. You will then be permitted to take the machine for a limited trial, and we make a specialty of installment sales. Just think 17c per day will put one of them in your home.

## FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonsful for 50 cents.

If everything was sold in as liberal and fair a manner as the below named drug-gists are selling Schiffmann's New Concentrated Expecto-rant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Schiffmann's famous Asthma-cide, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonsful, because 50c worth makes a whole pint (128 teaspoonsful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthma-cide or "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by The Owl Drug Company.
